## **Data Retention**

Contact form submissions are retained for a period not to exceed 24 months from the date of receipt, after which they are deleted. ## **Cookie Policy**

### **What Are Cookies?**

Cookies are small text files stored on your device when you visit our website. They help us enhance your experience, analyze site performance, and deliver relevant content.

## Types of Cookies We Use

- **Essential Cookies:** Necessary for the website to function (e.g., navigation or session management).
- **Analytics Cookies:** Cloudflare Web Analytics tracks aggregate, anonymized usage data such as page views and traffic sources. It does not use cookies or browser fingerprinting to identify individual visitors, and does not track users across sites.
- **Preference Cookies:** Remember your settings, such as language or region.
- **Security & CAPTCHA Cookies:** Set by Cloudflare Turnstile to verify that form submissions are made by humans and to protect against automated abuse. These are governed by Cloudflare's privacy policy at [cloudflare.com/privacypolicy](https://cloudflare.com/privacypolicy).

## How We Use Cookies

We use cookies to:

- Ensure the website works properly.
- Understand aggregate site usage and performance through Cloudflare Web Analytics.
- Save your preferences for a better experience.
- Protect our contact form from spam and automated submissions via Cloudflare Turnstile.

## Managing Cookies

You can control cookies through your browser settings. Disabling essential or security cookies may affect website functionality, including the ability to submit the contact form. Cloudflare Web Analytics does not use cookies, so disabling cookies in your browser does not affect analytics collection — however, as it collects no personally identifiable information, no opt-out is required.

## Third-Party Services

Our website uses the following third-party services that may collect data or set cookies:

- **Cloudflare (hosting, CDN, security, Turnstile CAPTCHA, Web Analytics):** Cloudflare processes all traffic to this website and provides security, performance, and analytics services. Cloudflare Web Analytics collects anonymized, aggregate data without cookies or fingerprinting. Privacy policy: [cloudflare.com/privacypolicy](https://cloudflare.com/privacypolicy).
- **Google Fonts:** We load web fonts from Google's CDN, which may result in requests to Google servers. Privacy policy: [policies.google.com/privacy](https://policies.google.com/privacy).

## Changes to This Cookie Policy

We may update this Cookie Policy as needed. Changes will be posted here with an updated effective date.

## **Contact Us**

For questions about our Cookie Policy, contact us using the Contact Us form on the website.
